### **Note:**

*Issued labels are valid from the date of their initial assignment until the end of the current calendar year. The validity of the label is not subject to any prior restrictions as long as the technical requirements are met and the label holder complies with the regulations and fee schedule. The label is automatically renewed for one year at the end of its term, provided the requirements continue to be met. The label holder may cancel their label at the end of the current calendar year. The cancellation must be submitted at least one month before the end of the calendar year.*
